S.S.Bhowmick, Founder, NexG Exuberant Solutions

Since the beginning of this millennium, a standard mobile device has gone from being no more than a simple two-way pager to being a cellular phone, GPS navigation system, an embedded web browser and instant messenger, and a hand held video gaming system. One such next generation company giving mobile technology solutions is NexG Exuberant Solutions. YourStory had a conversation with S.S.Bhowmick,
